Upcoming Changes

Community Based Organizations will begin administering YHC assessments as of April 20, 2015.

- Trainings will be provided beginning 4/9 – please contact Megan Gibbard if you are not registered or need to complete a make-up session.
- CCS Assessors (either David or Dan) will shadow CBO assessors during drop-in hours beginning April 20th.
- The YHC Lead (Samantha Wiese) will also be checking in, either in person, or over the phone; site leads will be sent this information individually.

The referral function of YHC will transition to the Committee to End Homelessness as of mid-May (date TBD). Samantha will be visiting housing providers over the coming weeks to meet staff and learn more about resources available; housing providers will receive individual emails to schedule these meetings.

The Transition Team continues to guide the transition of YHC to the Committee to End Homelessness (CEH).

We will identify a means to obtain feedback from assessors, and the Transition Team will serve as this venue until further notice.

Awesome Work!

Thank you to all YHC housing providers: Streamlined housing program eligibility criteria will be in place as of April 20th. The number of criminal history criteria has been reduced from over 50 to 4. Thank you for your partnership!
